Individuals originally holding ROC nationality and who have since renounced it shall not in accordance with these Regulations apply for admission to senior high schools and above if less than eight years have elapsed since the ROC Ministry of the Interior revoked the applicant's ROC nationality. The calculation of the 8 years as specified in the first proviso is calculated from the intended commencement date of the semester of admission (1st of August 2020). If applications for admission are made using both overseas Chinese student and foreign identities, the admission permits will be canceled or the individual will be expelled upon verification.

Note 1: In accordance with the provision of Article 2 of the Nationality Act, an individual who holds ROC nationality under any of the conditions provided by the following sub-paragraphs:

- (1) His/Her father or mother is a citizen of the Republic of China when he/she was born.
